If a Repayment Due Date is a non-Business Day, the repayment must be made on the following Business Day.		
For monthly repayments, if a month does not have the same date (e.g. 31st of the month), the repayment must be made on the last Business Day of the month.

We calculate interest by applying the Daily Interest Rate to the Unpaid Daily Balance under this Contract as at the end of each day.		
Interest charges are charged by direct debit to your account and form part of the Outstanding Balance on each Repayment Due Date as set out in this Loan Schedule. This means the interest charges are added to the Outstanding Balance and we will charge interest on that full amount during the Loan Term.		
Credit Fees & Charges payable		
Legal fees and credit report fees may be charged in some circumstances. These amounts will be notified to you in writing.		
Wallet Wizard is authorised to add the amount of the Credit Fees and Charges to the Outstanding Balance. This means they are added to the Outstanding Balance and we will charge interest on that full amount during the Loan Term.

1. THE LOAN

- 1.1 We will lend you the Total Amount of Credit as set out in the Loan Schedule. This is the loan which you must repay ("**Loan**").
- 1.2 You authorise us to disburse the Loan in the way set out in the Loan Schedule under the heading "Disbursement of Total Amount of Credit".
- 1.3 We will disburse the Loan as set out in the Loan Schedule following your acceptance of this Contract, subject to clause 1.4.
- 1.4 **We may not, however, disburse the Loan if any information you give to us, or which has been given on your behalf, changes or is incorrect.**

2. CREDIT FEES AND CHARGES

- 2.1 You must pay the Credit Fees and Charges in the circumstances set out in the Loan Schedule.
- 2.2 You will not be required to pay total Credit Fees and Charges which exceed twice the Amount of Credit (not including Enforcement Expenses).
- 2.3 Any Credit Fees and Charges you must pay will be charged to your account and form part of the Outstanding Balance.
- 2.4 Any government tax, duty, levy, or fee we incur concerning this Contract will also be charged to your account and form part of the Outstanding Balance.

3. INTEREST

- 3.1 You must pay interest on the Outstanding Balance (including but not limited to the Loan) at the Annual Interest Rate as set out in the Loan Schedule. The Annual Interest Rate is divided by 365 (or 366 in a leap year) to give a daily interest rate ("**Daily Interest Rate**").
- 3.2 We calculate interest by applying the Daily Interest Rate to the Unpaid Daily Balance under this Contract as at the end of each day.
- 3.3 You must pay interest on the Outstanding Balance under this Contract until it is repaid in full.
- 3.4 Interest charges are charged by direct debit to your account and form part of the Outstanding Balance on each Repayment Due Date as set out in the Loan Schedule.
- 3.5 Any accrued interest charges will be debited to your account and form part of the Outstanding Balance immediately before payout of the Loan.

4. REPAYMENTS

- 4.1 You must repay the Outstanding Balance (including but not limited to the Loan) in full by the final Repayment Due Date unless we agree otherwise in writing.
- 4.2 You must make the repayments on each Repayment Due Date as specified in the Loan Schedule, or as we agree in writing during the course of this Contract.
- 4.3 If a Repayment Due Date is not a Business Day, the payment must be made on the following Business Day.
- 4.4 You must make all payments by direct debit. If your payment is dishonoured, the payment is taken not to have been made.

- 4.5 You authorise us to obtain payment of any amounts you owe under this Contract through the Direct Debit Request you have signed in connection with this Contract.
- 4.6 You must make payments in full and they will be credited to your account without any deduction or set-off by either you or us. If you wish to dispute a payment or anything else in relation to this Contract, you are encouraged to contact us to initiate our internal dispute resolution process. If you are dissatisfied with the outcome, you have a right to take your dispute to either our external dispute resolution scheme or to a court.
- 4.7 If Credit Fees and Charges, Enforcement Expenses or other costs are charged to your account and form part of the Outstanding Balance, you must pay them immediately.
- 4.8 You may prepay the Outstanding Balance out this Contract in full earlier than the final Repayment Due Date provided you pay all Credit Fees and Charges, interest and other amounts owing under this Contract including any Enforcement Expenses.

5. APPLICATION OF PAYMENTS

- 5.1 You can direct us to apply your payments to any amount you owe under this Contract in any order. However, if you do not provide a direction in writing before, or when, making a payment, we can apply the payment to any amount you owe under this Contract in any order we decide. For example, if you owe Enforcement Expenses, we may pay them before your regular repayment.
- 5.2 If you hold other credit contracts with us and you make a payment which is insufficient to satisfy all your outstanding repayment obligations under each contract, we reserve the right to apply the payment to any, or all, of the credit contracts in any manner we decide unless you have provided written directions before, or when, making the payment on how the payment is to be applied.
- 5.3 We will adjust debits, credits and the Outstanding Balance if there is a processing error or where a payment has been dishonoured.
- 5.4 We will also adjust the debits, credits and Outstanding Balance if there are refunds or corrections to accurately reflect the legal obligations between us. This will occur regardless of the adjustment favouring either of us.

 - (b) do not do what you have agreed to do; or

- 6.2 If you are in default, we will give you a written default notice requiring you to correct the default. However, we need not give you that notice in circumstances where the law does not require it.
- 6.3 A default notice will tell you what you need to do to fix the default, if that can be done. You must do what the notice asks within the time provided.
- 6.4 If, during the period of the default notice, you default a second time in the same way again, then you are still in default, even if you have fixed the first default.
- 6.5 You must pay us the Outstanding Balance, which may include (but is not limited to) arrears, any Credit Fees and Charges and the Direct Debit Reversal Fee and we may, by written notice to you, terminate this Contract in the following circumstances:
- (a) if you have not fixed the default within the time specified in the default notice; or
 - (b) if the default cannot be fixed, after the time specified in the default notice has passed; or
 - (c) the default is of a kind where the law does not require us to give you a written default notice.

7. ENFORCEMENT EXPENSES

- 7.1 Enforcement Expenses can include a range of costs such as collection agency fees, legal fees, our reasonable internal costs (for example costs associated with the use of our staff and facilities), as well as all government charges, fees, taxes or duties incurred in relation to those expenses.
